

The Shuttle

Time flies faster than a weaver's shuttle.

As we all gather here today in assembly to celebrate, we are reminded of the unique spirit and camaraderie that defines boarding within our school. This week is not only about recognising the physical structures of the boarding school, it's about celebrating the vibrant community that thrives within boarding and extends to the whole Abbotsleigh community as well.

Boarding at Abbotsleigh is not only an extension of the day school, it also provides an immersive environment where strong friendships are formed, diversity is

community and I feel like I have really helped her adjust
