Chaplain

Winter prayers and rest

Rev Sarah Hobba
Senior Chaplain and Head of Christian Studies

As the term concludes, we've seen the shortest day of the year (21 June) and now the days will slowly get longer, though maybe still more days of cold. Heading into the school holidays, many of our Abbotsleigh community will head to where it is warmer, including Senior School girls and staff heading to partnerships we have with others overseas. For these holidays, it is a time to rest, restore, spend time with others and pursue activities that are often trickier to manage throughout school terms. Curling up under doonas with good books or some screen time may also be on our agendas.

In our prayers, we can ask for safety and warm comfort over this winter break. We can pray for those who need their physical needs met, including shelter from the cold and warmth in houses. We can pray for those that this winter are undergoing times of difficulty and distress, knowing that God in his goodness has given us hope in Jesus.

As the verses from our School Lesson (**Philippian 4:6-7**) say:

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
